

The Natural Choice for Natural Slate

Premium quality roofing slate

Sourced from Quiroga, Northern Spain, the Calidad 80 slate is a great choice for those looking for functionality and a great appearance.

The Calidad 80 slates have almost no visible pyrite to give a great finish and ensure stability throughout the slate. With its attractive blue grey colour and ease of grading, this slate gives a pleasing look and easy installation.

Highest possible classification when tested to BS EN 12326: T1, A1 and S1

Available in Heavy & Super Heavy grades
